

In the following six hotels we pre-occupied room contingents for our guests. Please book your hotel by yourself. Please note that if you want to book a room from the contingent that you send an email to the hotel with the **key-word "qPCR-Symposium"**. Don't make your reservation via the online-reservation site of the hotel. Please note further that for reservations from the contingent usually different cancellation fees are applicable than mentioned in the hotel-homepage for individual reservations. Please ask for the cancellation conditions.
